

# ONLINE BIDDING!

Friends, we are excited to announce that this year's Center of Hope Annual Dinner and Auction will offer online bidding and checkout. To register and receive a bidding number simply type the link below into your web browser and follow the few short steps to set up your account. While you still have the option to pay for items you win with cash or check, once registered you are invited to add a payment card of your choice for easy and convenient online checkout and avoid waiting in line the night of the event. If you have any questions or need assistance, feel free to give us a call at **316-267-3999** or email at **[george@centerofhopeinc.org](mailto:george@centerofhopeinc.org)**.

**GOD BLESS &
